

G. David Adamson, MD, Infertility & Reproductive Endocrinology Specialist with Equal3 Fertility

Get to know Infertility & Reproductive Endocrinology Specialist Dr. G. David Adamson, who serves the population of California.

New York City, Apr 1, 2019 (IssueWire.com) - Dr. David Adamson is a board-certified reproductive endocrinologist and surgeon, and Director of Equal3 Fertility in Cupertino, California which provides reproductive medicine consultation services. Dr. Adamson is Adjunct Clinical Professor at Stanford University School of Medicine and Associate Clinical Professor at University of California San Francisco School of Medicine. Dr. Adamson has served as an adviser to the Centers for Disease Control and Prevention, National Institutes of Health and other professional and industry organizations, and frequently consults with the media.

In 1997 Dr. Adamson founded Advanced Reproductive Care, Inc., a national network reproductive medicine company dedicated to increasing the value of medical care through innovative clinical and financial programs, information technology, clinical research and outcomes assessment. He has served as its CEO and Chairman since that time. The network's physician members are now in 40 states and currently provide approximately one-quarter of the in vitro fertilization services in the United States.

Dr. Adamson received his MD degree and residency training at the University of Toronto in Toronto, Canada and his reproductive endocrinology and surgery fellowship training at Stanford University School of Medicine in Stanford, California. He is a Fellow of the Royal College of Surgeons of Canada, the American College of Obstetricians and Gynecologists and the American College of Surgeons.

He is Past President of the American Society for Reproductive Medicine, Society for Assisted Reproductive Technology, AAGL, the Pacific Coast Reproductive Society, Society for Reproductive Surgeons, San Francisco Gynecological Society, Peninsula Gynecologic Society and Past Chair of the National Coalition Overseeing ART. Currently he is Chair of the International Committee for Monitoring ART (ICMART), President of the World Endometriosis Research Foundation, Chair of the FIGO Reproductive Medicine Committee and *ex officio* Board member of the International Federation of Fertility Societies. He is a member of the American Gynecological and Obstetrical Society, the Society for Gynecological Investigation and the Society of Gynecological Surgeons, among many other national and international professional societies.

Dr. Adamson has published over 300 peer-reviewed articles, book chapters and textbooks, and presented lectures extensively on reproductive medicine and surgery, endometriosis, the assisted reproductive technologies, infertility and outcomes assessment nationally and internationally.

He served on the Board and Executive of National Resolve, the national consumer fertility organization, for 10 years. He has been listed in Who's Who in America and Top Doctors over 3 decades and recognized by Good Housekeeping magazine as one of the best 400 physicians for women in America. In 2007 he received the Santa Clara County Medical Association Outstanding Achievement in Medicine Award and a Certificate of Special Congressional Recognition for outstanding and invaluable service to the community.
