

LinkedIn Seminar Helps College Students Get Job Quicker

Dr. Daryl D. Green will host a career seminar about LinkedIn.com and how to utilize the tool for greater employment on April 15th, 10 am, the Tulsa Royalties auditorium (Bailey Business Center) at Oklahoma Baptist University.

Knoxville, Apr 12, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Dr Daryl D. Green is an avid marketing professor with a proven track record. He is excited about his new seminar on campus. *Dr Green will host a career seminar about LinkedIn.com and how to utilize the tool for greater employment on April 15th, 10 am, the Tulsa Royalties auditorium (Bailey Business Center) at Oklahoma Baptist University. Dr Green is a career coach and an award-winning writer who aims at teaching college students to grab the best jobs.*

Don't know how to find the right job? LinkedIn.com is the world's largest online professional network with more than 200 million members in over 200 countries and territories. LinkedIn is a great source of job opportunities. Everyone is on the lookout for the right jobs and it is with the help of such seminars that one can learn the art of marketing themselves in the finest manner.

With more than 30 published books to his name and the prestigious marketing certificate from the

Vermont University. Dr Green has managed to meet tremendous success in his capacity of personal coach and marketing enthusiast.

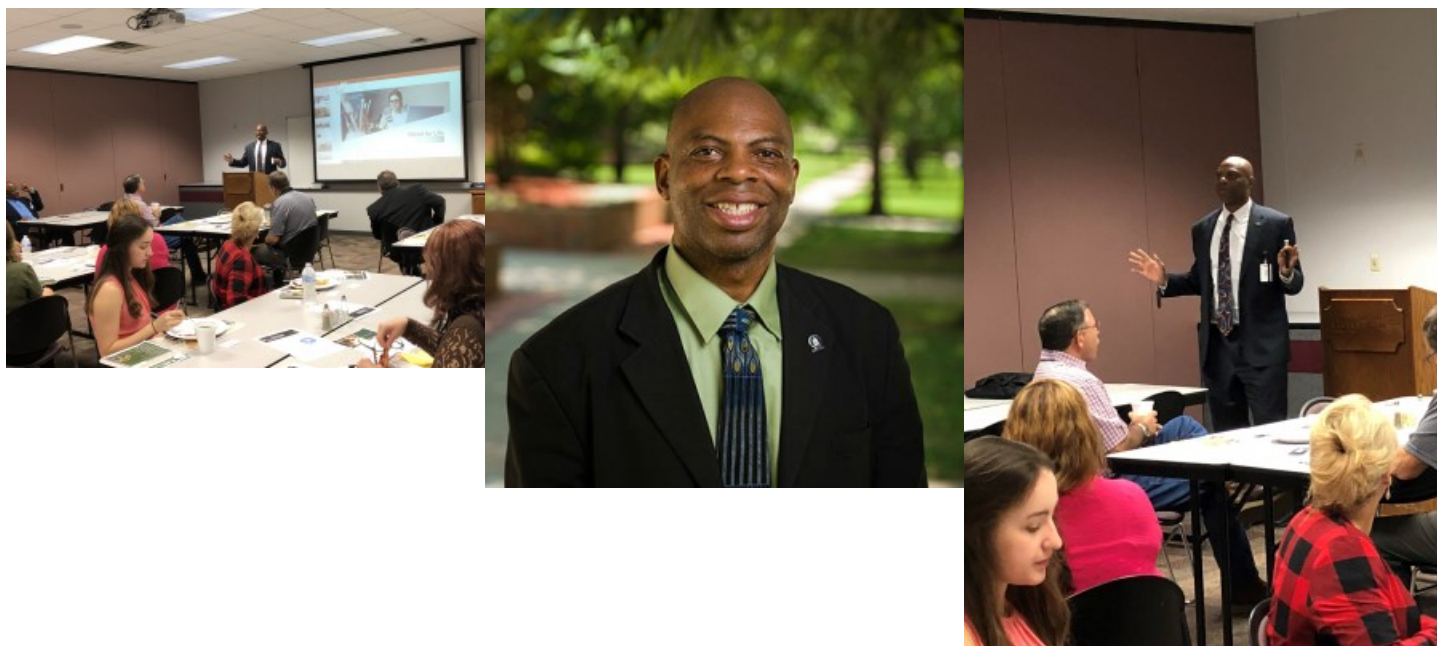

Dr Green was quoted as saying, *“When it comes to seeking a job, it is important to stand out in the pool of applicants. Knowing the best way to sell yourself amidst the talent pool so that your employer is bound to pick you up is the real trick. In my seminar, I am going to shed light on precisely the same skill. I believe that with the right training, each of you has it in yourself to be picked for the best job.”*

Building a career is a job which requires the right investment of time and effort. With the right kind of details and the finest guidance, one will be able to get the best dream job. Dr Green is excited about his upcoming seminar and he is hopeful that he can inspire and educate people in their bid to set the right foundation of their career. LinkedIn is a great place to start for job seekers. He hopes that his students and others who attend the seminar will learn more about effective job strategies.
