

Marlowe W. Eldridge, MD, FAAP, Pediatrician in Critical Care with University of Wisconsin Health Ped

Get to know Pediatrician in Critical Care Dr. Marlowe W. Eldridge, who serves the population of Wisconsin.

New York City, Apr 10, 2019 (Issuewire.com) - Dr. Marlowe W. Eldridge is a fellowship trained Pediatrician with a focus in Critical Care, currently practicing at the University of Wisconsin Health

Pediatric Critical Care Clinic and Pediatric Sedation Program. Additionally, he is an Associate Professor of the University of Wisconsin-Madison Kinesiology School of Education.

UW Health is the integrated health system of the University of Wisconsin-Madison serving more than 600,000 patients each year in the Upper Midwest and beyond with approximately 1,500 physicians and 16,500 staff at six hospitals and more than 80 outpatient sites. UW Health is governed by the UW Hospitals and Clinics Authority and partners with UW School of Medicine and Public Health to fulfill their patient care, research, education, and community service missions.

Dr. Eldridge graduated with his medical degree from the University of New Mexico School of Medicine in 1980, giving him nearly over four decades of experience in his field. After obtaining his medical degree he completed his internship with the University of Utah Medical Center. He then completed his pediatric residency with the University of Utah Medical Center. Furthering his training he completed his Pediatric Critical Care Medicine fellowship with the Pediatric Critical Care Medicine, University of California San Francisco Medical Center.
