**New York City, Apr 18, 2019 ([IssueWire.com](http://IssueWire.com))** - Dr. Modi is an obstetrician-gynecologist (OB-GYN) who has been in practice for nearly 15 years. She plans on opening two additional clinics in May, one in Greenbelt, Maryland and other in Woodbridge/Alexandria, Virginia.

She has extensive experience in the diagnosis and treatment of a wide range of women's diseases. She is especially knowledgeable when it comes to dealing with the female reproductive system, and performing advanced gynecologic surgeries, including diagnostic, emergency, and urogynecology procedures. "I hold myself to an extremely high-level of excellence in every aspect of my practice. This includes the care I provide, the equipment that I use, the health and safety protocols that I follow, and the incidental services that I offer. Above all, my aim is to provide each of my patients with an optimal experience" said Dr. Modi.

Dr. Modi is currently serving patients at her own private practice - Women's Health Care Specialists - located in Lanham, Maryland. Women's Health Care Specialists is dedicated to providing exceptional, personalized health care for their patients. The practice specializes in the prevention of women's diseases through wellness care.

Dr. Modi received her medical degree from Guru Gobind Singh Medical College in 1996. Thereafter, she went on to complete her residency at Howard University Hospital in Washington D.C. in 2004.

Dr. Modi is board-certified by the American Board of Obstetrics and Gynecology (ABOG). He additionally holds certification in performing minimally invasive "daVinci" Robotic surgeries. The mission of the ABOG is to define specialty standards, certify obstetricians and gynecologists, as well as facilitate continuous learning to advance knowledge, practice, and professionalism in women's health. Furthermore, Dr. Modi is a Fellow of the American College of Obstetrics and Gynecology (ACOG) and a sitting member of "HealthTap Medical Advisory Board (MAB).

Obstetrics and gynecology is the medical specialty that encompasses the two subspecialties of obstetrics (covering pregnancy, childbirth, and the postpartum period) and gynaecology (covering the health of the female reproductive system – vagina, uterus, ovaries, and breasts). As an OB-GYN, Dr. Modi has an outstanding ability to provide care with emphasis on a holistic approach, thereby treating the female patient as a physical, emotional, and social being. She has also taken certified trainings to perform minimally invasive surgeries utilizing the most current technology in the surgical arena - Da Vinci and Olympus 3D.

With her ability to establish rapport with her patients, her unflinching flexibility, and her adaptability to constantly changing circumstances, Dr. Modi has been able to deliver superior results under extreme pressures.

Dr. Modi has published various research papers and articles throughout her professional career. She has also received several awards for her outstanding performances, including the VIP award by Ohio Health and recognition as America's Top OB/GYNs by the Consumer Research Council of America - to name a few.

Dr. Modi is dedicated to providing compassionate care to women of all ages. Her interests include strong commitment to patient education, research in women's health care, and teaching. In her spare time, Dr. Modi enjoys spending time with her family and friends, teaching, as well as helping various charitable organizations.
