

## Payam Vahedifar, MD, Physical Medicine, Rehabilitation & Pain Management Specialist with Nuvo Spine

Get to know Physical Medicine, Rehabilitation & Pain Management Specialist Dr. Payam Vahedifar, who serves patients in Encino and Beverly Hills, California.

**New York City, Apr 27, 2019 ([IssueWire.com](http://www.IssueWire.com))** - Dr Vahedifar is physical medicine, rehabilitation & pain management specialist who is currently serving patients at the Nuvo Spine and Sports Institute - of which he is Owner. Formerly known as Encino Spine, the Nuvo Spine and Sports Institute offer cutting edge, state-of-the-art treatments, including stem cell therapy, biological therapy, PRP therapy,

intradiscal therapy, HydroDiscectomy, and more. Dr Vahedifar and his team's top priority is to improve the health and well-being of their patients by providing innovative, comprehensive care to those suffering from acute and chronic pain of the neck, back, and spine.

Dr Vahedifar graduated with honours from UCLA. Wanting to further his education, he went on to receive his medical degree in 1996 from Tulane University College of Medicine, where he did extensive research on nerve-associated pain. He then completed training at the UCLA-VA Multi-campus PM&R Residency Program and its affiliated hospitals, including Shriners Hospital for Children, the Veterans Administration Wadsworth Medical Center, Orthopaedic Hospital, and Rancho Los Amigos Medical Center. After residency, Dr Vahedifar continued his training under the head of orthopaedic spine surgery at Orthopaedic Hospital and completed his postgraduate training in interventional spine procedures.

Dr Vahedifar is a Fellow of the American Academy of Physical Medicine and Rehabilitation (AAPM&R). AAPM&R is the national medical speciality society for physicians who specialize in physical medicine and rehabilitation (PM&R). Founded in 1938, the mission of AAPM&R is to foster excellence in psychiatric practice.

Dr Vahedifar is a member of the American Board of Physical Medicine and Rehabilitation, the American Society of Interventional Pain Physicians, the California Medical Association, and the American Medical Association.

Dr Vahedifar has received several awards throughout his line of work, including Compassionate Doctor Award, Patient's Choice Award (10 years in a row), and Top Doctor Award.

Physical medicine and rehabilitation also referred as physiatry or rehabilitation medicine is a discipline concerned with the evaluation, treatment, and coordination of care for persons with multiple musculoskeletal injuries, pain syndromes, and/or other physical and cognitive impairment and disabilities. A specialist in non-surgical intervention and pain management of the musculoskeletal system, Dr Vahedifar is qualified to treat athletes and patients of all backgrounds in need of joint and spinal pain relief.

In addition to English. Dr Vahedifar speaks Arabic.
