

## Registered Nurse Courtney Lambert, RN, BSN, CLNC Provides Care for the Oregon Area

Get to know Registered Nurse Courtney Lambert, who serves patients within Curry Health Hospital.

**New York City, Apr 12, 2019 ([Issuewire.com](http://Issuewire.com))** - Registered Nurse Courtney Lambert currently practices with Curry General Hospital. She is also affiliated with St. Charles Hospital, Bay Area Hospital, Seton Medical Center Austin, Seton Medical Center Harker Heights, and Baylor Scott & White Health. Courtney is experienced in Medical/Surgical care, Orthopedics, Intermediate Care, Cardiac, and Pre and Post-Surgical care.

Curry General Hospital is located in Gold Beach and is the sole hospital in Curry County. It is a critical

access hospital and is committed to providing high-quality health care with service excellence.

Courtney graduated with her Associates Degree in Nursing from the Southwestern Community College, followed by an Associates in Health Administration from the University of Phoenix. Furthering her education she graduated with her Bachelor of Science in Nursing from the University of Phoenix in 2013. Additionally, Courtney holds certification in Advanced Cardiac Life Support, Pediatric Advanced Life Support, and Basic Life Support. She is a Registered Nurse and is a Certified Legal Nurse Consultant.

To stay up to date in her field, Courtney remains a professional member of the International Nurses Association (INA), National Association of Certified Legal Nurse Consultants (NACCLNC), Oregon Nurses Association (ONA), and the American Nurses Association (ANA). The ANA is the premier organization representing the interests of the nation's 4 million registered nurses. ANA is at the forefront of improving the quality of health care for all. Founded in 1896, and with members in all 50 states and U.S. territories, ANA is the strongest voice for the profession.

Courtney attributes her professional success to loving what she does, pursuing continuing education and being apart of a team that strives to make a difference in the healthcare profession. When not working she enjoys spending time with her family, going to the park and beach, being outdoors, snowboarding, hiking, and biking.
