Get to know Registered Nurse Lindsey M. Frank, who serves patients within Franciscan Health System.

**New York City, Apr 29, 2019 ([Issuewire.com](http://Issuewire.com))** - Registered Nurse Lindsey M. Frank holds over a decade of experience in her field, and currently practices with the Franciscan Health System. There she holds expertise in Prenatal Midwifery.

Franciscan Health is committed to providing their patients with the highest quality of care. Their top national rankings and an ever-growing list of honors certainly reaffirms that commitment. But they never rest on their laurels — their doctors, nurses and healthcare staff are always finding ways to get better, so their patients can, too.

Lindsey graduated with her bachelor's degree from the Indiana University Bloomington. Furthering her education she graduated with her master's degree from Marquette University. She holds additional certification as a Nurse Midwife.

To stay up to date in her field, she remains a professional member of the Sigma Theta Tau. Sigma's mission is advancing world health and celebrating nursing excellence in scholarship, leadership, and service. Sigma's vision is to be the global organization of choice for nursing.

Nurse midwifery is a nursing specialization dealing with pregnancy, labor, and postpartum concerns. As a nurse midwife, you'll work with mothers to ensure their safety during the childbirth process as well as the safety of their newborn child.
