

Soothing Vibes of the Track ‘Walk Away’ by the Brilliant Just Jon will Melt your Heart Away

The new track ‘Walk Away’ launched by the artist Just Jon is trending all over the world owing to its mesmerising soundscape. This song is available on Spotify.

Smarden, May 3, 2019 ([IssueWire.com](http://www.IssueWire.com)) - The young talented DJ **Just Jon** had earned quite a reputation for himself in the short time he had been in the industry. Lately, he had become the buzz of the music world with his new track ‘[Walk Away](#)’. The artist had been DJ for many years and has performed in the most infamous venues in London. Taking influence from the genre of the tropical house

his music can easily be described as a brilliant collection of vibrant colours and melodies. However, his new release '**Walk Away**' is quite different from his previous tracks simultaneously capturing millions of interests.

The track '**Walk Away**' can easily be described as a combination of pathos lyricism with an uplifting melody. Though both the elements act as a contrast to each other it enhances the captivating quality of the composition. **Just Jon**, responsible for the melodic part of the soundscape created rhythmic symphonies of various melodies all synchronised to perfection. **Just Jon** who is also known as John Billingsley wants to show the audience his versatility an artist through his present creation '**Walk Away**'. Using his production house Gif Gif the artist lets his creativity shine.

'**Walk Away**' is themed with a personal subject that every individual deal with some point in their life. It deals with the theme of relationship and how one should walk away when it turns toxic. It is about taking over the power from the relationship and asking the other individual to leave for the betterment of everyone. You can now follow **Just Jon** through his Instagram profile.
