

Steven Huang, DDS, Oral Surgeon with Henderson Oral Surgery & Dental Implant Center

Get to know Oral Surgeon Dr. Steven Huang, who serves the population of Nevada.

STEVE HUANG, DDS

New York City, Apr 11, 2019 (IssueWire.com) - Dr Steven Huang is a board-certified oral and maxillofacial surgeon who is dedicated to providing each and every patient with the highest quality of care. He currently practices with his private practice with Henderson Oral Surgery & Dental Implant Center. Henderson Oral Surgery & Dental Implant Center offers high-quality oral and maxillofacial surgery services to patients living near Henderson and Las Vegas, NV. The practice specializes in a broad range of oral, facial, and dental procedure including dental implants, wisdom teeth removal, pathology treatment, and more.

With years of experience and technical expertise in oral surgery, Dr Huang understands that each patient comes to him with a unique background and individualized needs. As a result, Dr Huang is focused on providing his patients with customized treatment plans to optimize their long-term oral health. Assisted by a team of caring, compassionate dental professionals, Dr Huang is committed to providing his patients with the best surgical care possible in a comfortable and state-of-the-art environment.

Dr Huang completed his undergraduate degree from the University of California, Berkeley with a Bachelor of Arts degree. Furthering his education he graduated with his Doctor of Dental Surgery from Columbia University College of Dental Medicine, where he received numerous scholarships and awards for his outstanding academic performance and research, including the highly-coveted CDM Birnberg Research Grand Prize.

After obtaining his Dental Degree he completed his four-year residency program in oral and maxillofacial surgery at the prestigious University of Washington Medical Center in Seattle. During his residency, Dr Huang trained alongside medical residents in internal medicine, general surgery, anesthesiology, plastic surgery, otolaryngology (ear, nose, and throat), emergency medicine, and other specialty areas. He received intensive training in dentoalveolar surgery (extraction of wisdom teeth, complicated extractions), maxillofacial trauma and reconstruction, orthognathic (corrective jaw) surgery, head and neck pathology, and dental implant surgery.

Dr Huang earned certifications from both the American Board of Oral and Maxillofacial Surgery and the National Dental Board of Anesthesiology. These certifications are an acknowledgement of his exemplary knowledge of both oral and maxillofacial and anesthesiology specialties and demonstrate his ability to provide the highest level of care to his patients. To stay up to date in his field, he remains a professional member of the American Association of Oral and Maxillofacial Surgeons, American Dental Society of Anesthesiology, American Dental Association, Nevada Dental Association, and Southern Nevada Dental Society.

When not working, Dr Huang enjoys hiking, tennis, golf, skiing, and snowboarding.
