Pittsburg, May 29, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Once God gives you a task, you don't say no. And that's how Helen Goldie has spent all her days as soon as she heard her call. And now, with one more great job inspired by God, Helen is sharing her story with us.

[*Life: God's Plan—The Wonder of It All*](#) tells the story of Helen's life doing God's work, sharing the gift of the Bible together with her husband, Archie. Side by side they sought to make the world a better place by planting seeds of faith, from the community around their parish in Brantford, Ontario, to places as far away from home as Russia. The book also offers a close look at the worldwide network of Baptists and how they all come together to answer God's call to witness to his power.

Rev. Dr. William Brackney, former president of Acadia Divinity College in Nova Scotia, calls this book “a wonderful read,” while schoolteacher Ruth Sheffield praises this as “a testament to God's guidance in [our] lives.”

Helen Goldie is now ninety years old and has been wife to Archie for the past sixty-six years. This nurturing woman has been a mother to five, grandmother to eleven, and great-grandmother to eight. She is now retired but keeps herself young by singing, reading, and having lively conversations.

Helen's work will be exhibited at the BookExpo + BookCon 2019, to be held at the Jacob Javits Center, New York City, this coming May 29 to 31 and June 1 and 2, 2019, at the Authors Press Booth # 1667.
