

Allan L. Allphin, MD, FACS, FAAP, Otolaryngologist with Mercy Clinic Ear, Nose and Throat

Get to know Otolaryngologist Dr. Allan L. Allphin, who serves patients in Springfield, Missouri.

New York City, May 16, 2019 (IssueWire.com) - Dr Allan L. Allphin has been in practice for three decades and is currently serving patients within the Mercy Clinic Ear, Nose and Throat located in both Lebanon and Springfield, Missouri.

He is also affiliated with Mercy Hospital Lebanon and Mercy Hospital Springfield, where he serves as Chief of Staff.

Dr Allphin's acclaimed career in medicine began in 1987 when he graduated from the Texas Tech University in Lubbock. Upon earning his Medical Degree, he completed a residency in Otolaryngology at Case Western Reserve University.

Dr Allphin is certified by the American Board of Otolaryngology and has earned the coveted titles of Fellow of the American College of Surgeons, and Fellow of the American Academy of Pediatrics.

He is also Past President of the Missouri Society of Otolaryngology and of the Southwest Missouri Chapter of the American College of Surgeons. Dr Allphin has dedicated his life to delivering the highest level of quality care to his patients, and when he is not working he enjoys gardening.

Otolaryngology is a medical specialty which is focused on the ears, nose, and throat. It is also called otolaryngology-head and neck surgery because specialists are trained in both medicine and surgery.

An otolaryngologist is often called an ear, nose, and throat doctor, or an ENT for short. This medical specialty dates back to the 19th century when doctors recognized that the head and neck contained a series of interconnected systems. Doctors developed techniques and tools for examining and treating problems of the head and neck, eventually forming a medical specialty.
