New York City, May 1, 2019 (Issuewire.com) - Dr. El-Khashab is a podiatrist / foot and ankle surgeon who joined the team of professionals at The Foot Wellness Center in Cypress, Texas in 2017. The Center provides treatment for many conditions of the foot and ankle, including: bunions, hammertoes, heel pain, toenail problems, diabetic foot care, fractures and sprains of the foot and ankle, and wound

care - among others. Keeping patients' active, pain-free, and on their feet - that is the #1 priority of The Foot Wellness Center.

Dr. El-Khashab completed his undergraduate studies at Texas A&M University. He then earned his Doctor of Podiatric Medicine (DPM) degree at the Scholl College of Podiatric Medicine/Rosalind Franklin School of Health Sciences in Chicago, Illinois. After moving to New York City, Dr. El-Khashab went on to complete an intensive three-year medical and reconstructive foot and ankle surgical residency program at Interfaith Medical Center. There, he earned the honor of becoming Chief Resident before furthering his training with a one-year fellowship.

After several years of private practice and teaching at various New York hospitals, Dr. El-Khashab decided to head back to Texas with his family. He has been a welcome asset ever since.

Dr. El-Khashab is board-certified by the American Board of Podiatric Medicine (ABPM). The ABPM offers a comprehensive board qualification and certification process in podiatric medicine and orthopedics. The mission of the Board is: to protect the health and welfare of the public through an ongoing process of evaluation and certification of the competence of podiatrists in the specialty of Podiatric Orthopedics and Primary Podiatric Medicine.

Dr. El-Khashab is an associate of the American College of Foot and Ankle Surgeons. He is also an active member of the American Podiatric Medical Association, as well as the Texas Podiatric Medical Association.

Podiatry or podiatric medicine is a branch of medicine devoted to the study, diagnosis, and medical and surgical treatment of disorders of the foot, ankle and lower extremity. As a podiatrist / foot and ankle surgeon, Dr. El-Khashab's diverse background of experience provides him with ample expertise, and allows him to devise well-rounded treatment plans for his patients. He has trained extensively with other specialties (orthopedics, pediatrics, vascular surgery, and plastic surgery), as well as continues to perform a vast array of surgical procedures.

In his spare time, Dr. El-Khashab enjoys playing soccer, experimenting in the kitchen, and most of all, spending time with his growing family.
