

# **Book Highlights Author's Challenges to Spiritual Enlightenment**

A healer's journey and awakening

# Passed *with* Flying Colors

Cindy Kinjo-Hardart

**Pittsburg, May 24, 2019 ([IssueWire.com](http://IssueWire.com))** - Cindy Kinjo-Hardart's [\*Passed with Flying Colors\*](#) is centred on a healer's hardships on her journey to spiritual awakening. It is an eye-opener and a testament that "nothing worth having comes easy."

In this book, Cindy highlights the importance of faith and trust. She bravely shares her agonizing experiences and difficulties. This is essentially getting up close and personal with Cindy. She selflessly bares herself so others may draw inspiration from the obstacles she overcame. Her narrative is very candid. It draws readers with its honest to goodness account of how she got her healing abilities.

She also talks about meditation, dreams and reincarnation. This book is insightful for those people seeking inner peace. The author shares her journey of courage and inspires others to withstand whatever trials they are going through.

She is truly wise and her words are enlightening, this one in particular: "Life is only a lesson from the power of other minds. Your own creativeness, you are own forthcoming, your past failures and victories all transcend together."

Share Cindy's journey. Learn from it. Life itself is a test. Take notes from her resilience on how to pass it with flying colours.

Cindy's book is exhibited at the BookExpo + BookCon 2019 held at the Jacob Javits Center, New York City, May 29 to 31 and June 1 and 2, 2019 at the Authors Press Booth # 1667.
