

Dr. Steven Zhao, DDS, General Dentist

New York City, May 13, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Dr. Zhao possesses a strong passion for providing personal, patient-centered, and evidence-based care through continuing education courses. What he enjoys the most about dentistry is not only building beautiful smiles, but listening and sharing stories with his patients. He also has a special interest in family and reconstructive dentistry.

Dr. Zhao is a member of the Ontario Dental Association. The Ontario Dental Association is a professional organization for dentists in the Canadian province of Ontario. The mission of the organization is to provide innovative, inspired leadership and deliver exceptional value by promoting the highest standards of dental care.

Dr. Zhao was awarded the Toronto Crown and Bridge Award for the most outstanding work in prosthodontics and restorative dentistry while obtaining his Doctor of Dental Surgery (DDS) degree from the University of Toronto.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. A general dentist, like Dr. Zhao, diagnoses and treats dental issues, as well as helps patients develop better oral hygiene regimens. He focuses on personal attention to each and every one of his patients, all the while addressing their anxieties and concerns. He also encourages open discussion and takes the time to explain treatments to his patients in order to ensure optimal results.

On his spare time, Dr. Zhao enjoys travelling, trying new restaurants, watching movies, hiking, and spending time with his family.
