

Fariborz Rodef, DDS, Dentist with Children's Dental Funzone

Get to know Dentist Dr. Fariborz Rodef, who serves patients in West Covina, California.

New York City, May 11, 2019 (IssueWire.com) - Dr Fariborz Rodef is a pediatric dentist practising in West Covina, CA.

Dr Rodef specializes in the oral health of children. Pediatric dentists tend to patients ranging in age from infancy to teenage years. As a pediatric dentist, Dr Rodef takes care of a child's teeth, gums and mouth.

Children can face dental problems like tooth decay and gum disease without proper care. Pediatric dentists can provide dental examinations, give cleanings and treatments, repair cavities and dental injuries like fractured or knocked-out teeth, diagnose oral conditions and more.

Dr Fariborz Rodef received his degree in Pediatric Dentistry from the University of Southern California, which is considered one of the best residency programs in the country.

In addition to his many years of experience, Dr Rodef attends numerous postgraduate courses and even serves as a guest lecturer for pediatric residents.

Upon graduating, Dr Rodef had a vision: To create the most up-to-date pediatric dental office which contained the latest advancements in dentistry.

This would allow him to enhance the comfort of each patient and provide every child with the best quality of care in the field. To date, his vision has materialized into ten pediatric dental offices and growing.

His approach to your child's treatment starts with patiently listening to the concerns of every parent. Then, after a complete and thorough examination, he reviews and discusses the diagnosis and treatment options.

His friendly demeanour puts every child at ease and makes parents feel that they can trust his expert judgment.
