

## Feel the Breezy Vibes in the Singles by Female Singer from Florida- Iris Stryx

If you want to witness a cooler side of hip hop and rap music listen to the singles by Iris Stryx. This female singer from Florida is slaying with her style.

**Miami, Dec 31, 1969 ([IssueWire.com](http://IssueWire.com))** - Call it her flaming personality, love for rapping or her unique voice texture, the young and talented [female singer from Florida](#) named **Iris Stryx** has become listeners' favorite with her amazing compositions. Even though she is an amazing rapper, her singing skills are mind-blowing and the lyrics are very real and energizing. The track that defined her stardom is 'Island Girl' that received as many as 2 million views on YouTube. Her recent track 'Have A good time' is another masterpiece that is the perfect party single of this sunny summer. If you want to get lost into a thrilling music journey, register your account with SoundCloud and get into the music gallery of this young artist.

Young and beautiful **Iris's** love for music got reflected when she was only 3. She loved to play piano and surprised her friends with his song-writing skills. Her inspiration is her mother who is unwell and wants to see Iris as a star. She is doing extremely well and will soon fulfill her mother's dream. Some of the other singles that have been liked by global music fans are '[Shake The Globe \(Prod. By Trackstion\)](#)', 'Fly To The Sky', 'King's Town', 'Baller Alert' and all the singles that are available in her SoundCloud music gallery.

Above all **Iris Stryx's** is the best representative of the modern hip hop music. Her breezy island vibes

with a Caribbean tone infused with hip hop rap is what makes her different from another artist. She has indeed set examples for all other female rappers and singers who are struggling hard to make a strong position in the music industry. Her dedication and passion for music have helped her to witness star-like attention.
