Get to know Dentist Dr. Frederick Faustini, who serves patients in Croton Falls, New York.

**New York City, May 16, 2019 ([Issuewire.com](http://Issuewire.com))** - Dr. Frederick Faustini is a Dentist practicing in Croton Falls, NY. Dr. Faustini specializes in preventing, diagnosing, and treating diseases and conditions associated with the mouth and overall dental health.

Dentists are trained to carry out such treatment as professional cleaning, restorative, prosthodontic, and endodontic procedures, and performing examinations, among many others.

Dr. Faustini is very fortunate to have a profession that he cares deeply about, in an accommodating community to both work and raise a family. The personal relationships he has cultivated with his patients

over the years are certainly an added bonus. He claims to have a relationship with his patients that goes above and beyond a standard doctor/patient relationship.

He is most passionate about relieving patients' anxiety, and achieving outcomes that transform their smiles. Dr. Faustini is also very gratified when he can get patients out of discomfort or pain. His patients are very appreciative and grateful for the services he is able to provide, and there is no better feeling than helping someone improve his or her quality of life!

Dr. Faustini earned his Bachelor of Science at Fordham University before obtaining my Doctor of Dental Medicine at the University of Buffalo School of Dental Medicine. He would later complete a two-year residency through New York University's implant dentistry fellowship program.

He believes the continual pursuit of continuing education is vital for a dentist to remain current with existing and future technologies. He has logged more than a thousand hours of continuing education through the Tri-State Study Club, the Westchester Study Club, the Pankey Institute, the Spear Academy, and the Dawson Academy, all to better himself as a dentist and benefit his patients.
