His *grace* Found Me

Finding Freedom in Christ

A Sequel to Other Loves All Flee

Leona Koehn Nichols
and contributing authors

Pittsburg, May 29, 2019 (Issuewire.com) - Mainly intended to glorify Jesus Christ as the true founder of the church, [*His Grace Found Me*](#) by Leona Koehn Nichols is a compilation of experiences shared by different writers as testimonies of their religious journey being ex-Holdeman Mennonites. The author emphasizes their allegiance to the Lord Jesus alone and not to a specific church.

After removing a few families including that of the author's from their ultra-conservative church, Leona strives to give her perspective in all honesty and without any bias as she recounts their struggles of finding the road to follow Jesus. The author and the contributors write down the challenges they had to go through as they tread a new seemingly confusing path that eventually made them realize God's guidance leading them to Him.

Leona's work will be exhibited at the BookExpo + BookCon 2019, to be held at the Jacob Javits Center, New York City, this coming May 29 to 31 and June 1 and 2, 2019, at the Authors Press Booth # 1667. His *grace* Found Me

What happens when the only culture and lifestyle you've ever known is removed and you must depend totally on Jesus to make the many decisions involved in living life and raising your children? Living in a modern world with which they were unfamiliar, these are the challenges faced by the authors of *His Grace Found Me*.

In her story, Leona Koehn Nichols continues the events begun in her first book, *Over Last A Little*, which recounts the conflict in the hearts of her and her husband as they tried to live out their understanding of the Bible. It would culminate with the excommunication of the four family members baptized into the Church of God in Christ (Mennonite). They struggled for nineteen months with one question: Would they continue as part of their unique culture and faithfully follow the traditions of the church, or would they make Jesus the Lord of their lives? Having been raised in an ultra-conservative environment they had little concept of how the "outside world" lived.

Included in this book are the stories of five other ex-Holdemas families, also reluctant to leave the life they knew. Faced with decisions of how to live their lives and raise their children without the clearly defined guidelines of the church, they searched the Scriptures for help in the various choices they would make. They too met many challenges, but over time each family has come to a place of joy in living out their faith. These families are:

The Ray Eck Family The Anthony Torres Family
The Quentin Giesborcht Family The Lance Dirks Family
The Jim Smith Family

Truly, the grace of God reached down and found them, guiding their steps in "the new and living way" described in the Book of Hebrews. They have found their "freedom in Christ."
