

Hedie Adamous, DC, Chiropractor

Get to know Chiropractor Dr. Hedie Adamous, who serves patients in Los Angeles, California.

New York City, May 7, 2019 (IssueWire.com) - Dr Adamous is a chiropractor who is currently serving patients at her own private practice located in Los Angeles, California. Her patients have excellent things to say about her, one stating "I had slipped and fallen down a staircase about a month ago and since then, I've had horrible pain in my right leg. Something just felt off. I went to see Dr Adamous and after a consultation, some release of tension in my hip flexor muscle, and an adjustment, my pain is completely gone. I am extremely satisfied with Dr Adamous's work."

Dr Adamous received her Doctor of Chiropractic (DC) degree from Cleveland Chiropractic College. The entry criteria, structure, teaching methodology and nature of chiropractic programs offered at chiropractic schools vary considerably around the world; however, in the United States, programs are required to teach specific areas for accreditation purposes.

Dr Adamous received the Top Doctor award for Top Chiropractor of 2019. The Top Doctor award recognizes the highest performing, most clinically astute, virtual care doctors in the United States.

Chiropractic is a form of alternative medicine mostly concerned with the diagnosis and treatment of mechanical disorders of the musculoskeletal system, especially the spine. As a chiropractor, Dr Adamous specializes in preventing, diagnosing, and treating conditions associated with the musculoskeletal system, while improving each patient's functionality and quality of life. Through the use of spinal adjustments and other techniques, her goal is to correct alignment problems, ease pain, and support the body's natural ability to heal itself.
