

Jessica Ellis, DDS, General Dentist with Raytown Dental Care

Get to know General Dentist Dr. Jessica Ellis, who serves patients in Raytown, Missouri.

New York City, May 10, 2019 (IssueWire.com) - Jessica Ellis is a dentist and dental pain specialist serving the community of Raytown, MO. Dr Ellis attended the University of Missouri, Kansas City, where she received her dental degree.

Dr Ellis is a part of My Dentist - Raytown. She is a member of the Academy of General Dentistry. Dr Ellis recently moved back to the Kansas City area after living and practising dentistry in Tucson, AZ for the

past 4 years.

Dr Ellis believes in listening to each patient and creating a partnership to maintain and improve lifelong health. During her consultations, she explains patients' conditions and helps them choose an appropriate treatment plan.

Dr Ellis specializes in preventing, diagnosing, and treating diseases and conditions associated with the mouth and overall dental health. Dentists are trained to carry out such treatment as professional cleaning, restorative, prosthodontic, and endodontic procedures, and performing examinations, among many others.

She aspires to change the way patients view dentistry in a comfortable and contagiously optimistic environment. Her main goal is to connect with each patient on a personal level so that together they can create a treatment plan that addresses his or her specific oral health care needs and desires.

Dr Ellis' dental team and she want each patient to feel appreciated and understood. She truly values the relationships that she cultivates with her patients and the surrounding community.
