**New York City, May 13, 2019 ([Issuewire.com](http://Issuewire.com))** - Lauren is a registered nurse (RN) who is currently serving patients at Private Medical Group in New Mexico.

Lauren specializes in general surgery and urology. General surgery is a surgical specialty that focuses on abdominal contents including the esophagus, stomach, small bowel, colon, liver, pancreas, gallbladder, appendix and bile ducts, and often the thyroid gland. Urology, also known as genitourinary surgery, is the branch of medicine that focuses on surgical and medical diseases of the male and female urinary-tract system and the male reproductive organs.

Lauren received her Bachelor of Science in Nursing (BSN) from Grand Canyon University.

A registered nurse (RN) is a nurse who has graduated from a nursing program and met the requirements outlined by a country, state, province or similar licensing body to obtain a nursing license.

RNs fulfill a variety of job duties. In addition to the primary role in treating and caring for patients, their responsibilities also include educating patients and the public about a variety of medical conditions, as well as providing emotional support and advice to the families of their patients. Other RN job functions include performing diagnostic tests and analyzing results, operating medical equipment, administering medications, recording patients' symptoms and medical histories, and assisting with patient rehabilitation and follow-up.

In her spare time, Lauren enjoys writing paranormal romances and singing.
