

Leena Sharma is all set to enter Bollywood with influential roles in multiple Projects

Mumbai, May 23, 2019 (IssueWire.com) - After acquiring Beauty pageants, Leena Sharma is all set to enter Bollywood with a bang, with one of the most prominent directors and producers of B-town.

Leena Sharma, as we all know, well-known personality pride of Rajasthan and also widely famous women. She has always been in talks all thanks to her natural beauty, her new Business ventures, and even social activities.

We will see this Rajasthani beauty in many big films which are going to come this year. So get ready to see Leena Sharma conquering Bollywood by her acting talent.

In an interview, Leena Sharma answered a few questions regarding Bollywood, where she told acting is an art, and practice makes it perfect if you give 100% to the character on you are working, it can come out as heart touching to everyone.

Leena Sharma said she entirely new to this field, But I always wanted to join Bollywood, If I get the roles which can suit me and my personality, I will definitely do it, and I am confident too that I will give full justice to my character.

Leena Sharma feels movies are an essential part of the society and she feels so many films which have done well in theatres has also benefited civilization and women of India.

Leena Sharma feels she can do any active roles as she is a woman who likes to promote our Indian culture and our Indian women strengths and she wants to show the whole world that Indian women are not behind any men or women of the world. So any active role will allow her to pass some right message, and she can also prove her skills in acting.

Leena Sharma is going to shake the silver screen with multiple projects this year like Super 30, Love Aaj Kal 2 which is going to release soon and we will see her performing an influential role in the film, then she is also part of some inspirational short movies which will convey a message to the society and advertisements.

Leena Sharma is supreme talent, and she is demonstrating her ability by doing so many things with authority; she knows life is short live it with full independence and belief.

She is also setting an example to the whole world that Indian women are not an only good mother and housewives, but we can do many things at a time.

Kudos! Leena Sharma, you Strong Lady, keep inspiring people with your work, and all the best for your new journey in Bollywood.
