Swansea, May 21, 2019 (Issuewire.com) - Hi, great opportunity here!

I've just taken on Limitless Activity Park in Swansea as one of my first clients here at getting Seen Now and am looking to get as much exposure as I can for them.

This Bank Holiday Weekend, they are opening their new Trampoline section **on Saturday, May 25th**. They're doubling in size to a 34,000 sq ft space, when opened it will be the **UK's First Ever Trampoline and Inflata Park!**

They do great numbers on social media, with over 21,000 followers to date on Facebook alone - I think this would be a fantastic, engaging feel-good story for your readers, with the opportunity for some great colourful action pictures and videos for social media.

Please let me know if this is something you'd be interested in, we'd love for you to trail it beforehand if possible - and if you could get a reporter/photographer down on the day that would be ideal!

They are a family business and a real Welsh success story, as well as consistently doing fantastic work with local schools and charities.

See some pics attached for you to get more of a feel for Limitless - don't hesitate to get in touch and I can connect you to one of the owners for any interviews etc.
