Get to know Registered Nurse Jo Anna Gregorio, who serves patients within Olympia Hospice Care

**New York City, May 21, 2019 ([IssueWire.com](http://IssueWire.com))** - Jo Anna Gregorio practices with Olympia Hospice Care as Case Manager and as Director for Patient Care Services for MVH Home Health Inc., Jo Anna is well at ease doing both jobs efficiently and effectively to the satisfaction of all internal and external customers/clients.

Jo Anna Gregorio earned her Bachelor of Science degree in Nursing at the University of Perpetual Help System DALTA in the Philippines in 2008 and gained her professional nursing license both in the Philippines as well as successfully being a Registered Nurse in California, thus giving her over a decade of experience in her field.

Jo Anna currently possesses expertise in hospice care requiring close and effective coordination among the team's Medical Doctors, RNs, LVNs, PTs/OTs, Social Workers, Chaplains and other related healthcare providers as the said team deals with the external clients such as the families of and/or the patients themselves as well as dealing with other healthcare facilities. Hospice care is a type and philosophy of care that focuses on the palliation of chronically ill or terminally ill patients. Such care services are not limited to palliative care of patients but also include taking care of their emotional and spiritual needs as well as of their families. The team at Olympia Hospice Care are focused on being proactive in addressing the needs of patients (and the families) who have had strokes, heart disease, cancer, lung disease, dementia, Parkinson's and Alzheimer's, among other diseases, and are now dealing with life-limiting illnesses.

Previously Jo Anna practiced with KMD Hospice, Inc. as well as briefly with New Horizon Hospice, Inc. Their individual mission is, as with other hospice establishments, to enhance the quality of life and to maintain the dignity and integrity of the individuals facing the end of life by offering comfort, support, and compassion.

Concurrently serving as Director for Patient Care Services for MVH Home Health, Inc., she oversees, among other critical corporate healthcare services, the efficient delivery of patients' care as well as compliance with related government agencies, direct oversight function over clinical staff/team including RNs, LVNs, PTs/OTs, and others, identify and implement corrective and improvement needs as well as develop proposals for the administrator and top-level managers as appropriate and as necessary.

Jo Anna chose a career in the healthcare industry due to her passion to serve the sick and to provide love to the elderly in need.
