

## **Stanislav B. Avshalumov, DO, Orthopedic Surgeon with Advanced Orthopedics & Joint Prevention, PC**

Get to know Orthopedic Surgeon Dr. Stanislav B. Avshalumov, who serves patients in Valley Stream, New York.

**New York City, May 22, 2019** ([Issuewire.com](http://Issuewire.com)) - Dr Avshalumov is a board-certified orthopaedic surgeon who specializes in joint prevention, sports medicine, general orthopaedics, and trauma. Some of the procedures that he offers his patients include joint replacement surgery, total hip resurfacing, minimally invasive total hip/knee replacement, hip arthroscopy, and total joint replacement. He is also

the first orthopaedic surgeon on Long Island to perform SuperPath Hip Replacement.

Dr Avshalumov is currently serving patients at Advanced Orthopedics & Joint Prevention, PC, in Valley Stream, New York. Advanced Orthopedics & Joint Preservation, PC is committed to excellence by pledging to provide the highest quality of orthopaedic care possible. Along with the treatment of immediate or chronic problems, the practice strives to integrate the doctrine of prevention in all their treatment plans as a way to alleviate possible future difficulties.

Dr Avshalumov is affiliated with several hospitals and medical centres in the New York area, including Franklin Hospital, St. Joseph Hospital, Mercy Medical Center, and New York Community Hospital.

Dr Avshalumov is board-certified in orthopaedic surgery by the American Board of Orthopedic Surgery (ABOS). To ensure the safe, ethical, and effective practice of orthopaedic surgery, the ABOS maintains the highest standards for education, practice, and conduct through examination, certification, and maintenance of certification for the benefit of the public.

Dr Avshalumov received his Doctorate of Osteopathic Medicine (DO) from the New York College of Osteopathic Medicine in 2003. Thereafter, he went on to complete his residency in orthopaedic surgery at the Peninsula Hospital Center in Far Rockaway, New York. He also undertook joint preservation, resurfacing & replacement fellowship at the Washington University School of Medicine in St. Louis, Missouri.

Dr Avshalumov remains a professional member of the American Academy of Orthopedic Surgeons, the American Osteopathic Academy of Orthopedics, the American Osteopathic Association, and the American Medical Association.

Dr Avshalumov attributes his success to his bedside manner, surgical skills, and the quality of care he provides for his patients.

Orthopaedic surgery or orthopaedics is the branch of surgery that deals with conditions involving the musculoskeletal system. An orthopaedic surgeon offers care to patients suffering from problems associated with the joints, bones, muscles, tendons, and ligaments. They perform surgeries to address trauma, injuries, tumours, infections, and other conditions that require surgical intervention. In Dr Avshalumov's case, he specializes in care for conditions of the hip and knee.

In addition to English, Dr Avshalumov speaks Russian.
