

Teacher Spins a Witch's Miracle Experience in New Book

Writer who aims to inspire releases children's book

HAGATHA AND THE MIRACLE

Ruth M. Amutice

Pittsburg, May 24, 2019 (IssueWire.com) - Ruth Amutice tells a charming tale of magic sans the spells in her new book, [Hagatha and the Miracle](#).

The story centers on a witch from the city who one day sneaks her way into a countryside third-grader class. Through her shape-shifting ability, she manages to go unnoticed in the classroom where she observes a bullying scenario for the first time. This troubles her so until she witnesses an unexpected twist resulting from a good deed. The experience perplexed her even more but also pleased her at the same time.

Amutice has been a teacher and had the opportunity to study the educational system. She strongly believes that an educator's skill and preparation won't be wasted if each student feels accepted and is fully noticed.

Ruth's work will be exhibited at the BookExpo + BookCon 2019, to be held at the Jacob Javits Center, New York City, this coming May 29 to 31 and June 1 and 2, 2019, at the Authors Press Booth # 1667.
