Abuja Federal Capital Territor, May 7, 2019 ([IssueWire.com](http://www.IssueWire.com)) - [The Queen Makers](#) is presenting their latest initiative to make the life of a bride better and brighter. The new book - Nigerian Brides Academy is therefore comprised of various guidelines that will lead a girl towards the best future after marriage. This book is especially composed for the Nigerian bride and Bibi Apampa has discovered the best way to encourage the bride to be. Getting married to your loved one and leading a happy life ahead is somehow challenging for all the individuals. Nigerian Brides Academy says you how you can make each day special with love, affection, happiness and romanticism.

This comprehensive guide book covers some important areas of a bride's life such as - warm house, warm food and warm bed. It is a perfect way to offer marriage counselling to Nigeria brides and as a result, it leaves no confusion in your mind. According to the project coordinator Bibi Apampa - there is a lot to do after marriage and of course, it's a huge responsibility for any individual. So, before you take up the responsibility, you must know how to maintain the same. Nigerian Brides Academy, therefore, presents a set of 15 questions which you can ask yourself before you say I Do. And gradually, it helps you to learn how to manage home finance and business, how to balance the family life and how to do the family planning as well.

Also, you will learn how to maintain a good relationship with in-laws and keep in touch with childhood friends. This Pre-Marital Counselling Nigeria lets you know more about the Nigerian recipes. Even if you are not skilled in cooking, this book will encourage you with easiest intercontinental food and stew recipes. And last but not the least, Bibi Apampa has added another section called warm bed where you will learn sexual intimacy and get back-to-back unique romantic ideas to balance the warmth of your relationship. This book can be defined as a marriage planner for Nigeria brides. Also, you can contact directly to the number (234) 09090431690 so that the project coordinator can link up you with the "God Mother" who can assist you with your counselling part. The authority offer trustworthy assistance and your information will be kept confidential.
