Huntingdon, May 23, 2019 ([IssueWire.com](http://IssueWire.com)) - If you are wondering, **how I get the refund on WestJet Airlines?** you can get the refund but before that, you should look for the options, like **how I cancel the WestJet Airlines** without cancellation charges? and then make a wise decision.

### Cancellation within 24 hours of ticket purchase

In order to achieve maximum customer satisfaction, **WestJet Airlines cancellation policy** allows you to cancel the tickets with a full refund if you cancel the ticket within 24 hours or the time of ticket purchase. The refund will be issued in the original form of payment you have done. But if in case the departure time of the flight is within 24 hours of the time when the booking was made in that case cancellation will include the cancellation charges for per seat reservation, and the refund will be transferred to your travel bank as per the [WestJet Airlines refund policy](#).

### Cancellation after 24 hours of the ticket purchase

:- Cancelling tickets after 24 hours of the time when the booking was made will include cancellation charges in the following ways:

:- Basic fares will not be refunded in the original form of payment, it will be refunded in the form of travel credit that can be used for future travel if it's cancelled after 24 hours

:- Travelling from or to all destinations in North America including Mexico, the Caribbean and Central

America with Econo, Business, Premium or Member exclusive fares the refund will be transferred in your travel credit and also there will be a cancellation charge of around \$100

- Travelling from or to all destinations in North America including Mexico, the Caribbean and Central America (excluding within Canada) with Econo flex fares cancellation charges of around \$100 will be there and the refund will be transferred into your travel credit.

- Travelling to or from outside North America the cancellation charges are there (around \$200-300) and the refund transferred to your travel credit.

- Travelling with Business class (outside North America) cancellation charges will be there (around \$600) and the refund transferred to your travel credit.

- Travelling with Premium flex or Business flex you will get the full refund and the refund will be transferred in the original form of payment.

**If there is a promotional fare they may have additional/different fare rules, you can consult your booking confirmation to check the specific rules for the fare.**
