Get to know Dentist Dr. Bitah Tahvildari, who serves patients in Poway, California.

**New York City, Jun 20, 2019 (IssueWire.com)** - Dr Tahvildari is a skilled and compassionate dentist who is currently providing dental care at her private dental practice - Heavenly Smiles Dentist. Heavenly Smiles Dentist is a top-rated dental practice providing advanced, compassionate care to patients from throughout the Poway, San Diego, California area. The practice is committed to providing patients with the most comprehensive array of care options for better oral health and wellness, implementing biocompatible techniques aimed at promoting overall wellness, as well as peace of mind.

At her dental practice, Dr Tahvildari utilizes the most advanced techniques for better oral health, including implant restorative crowns, single no-metal crowns, bridges, partials, anterior root canals, gum therapy, scaling and root planning, a protective device for teeth grinding (bruxism), and more. She also offers an array of cosmetic treatments (veneers, Invisalign, teeth whitening, etc.) to help patients achieve the most beautiful, natural-looking smiles.

Dr Tahvildari understands that each patient's needs are unique. Every treatment plan she develops is based on an in-depth understanding of those needs and goals for the best possible outcomes. She is also keenly aware of the anxiety many patients feel when visiting the dentist, which is why she employs pain management techniques to ensure that every patient's visit is a pleasant one.

After completing her undergraduate degree at California State University Northridge, Dr Tahvildari completed her Doctor of Dental Surgery (DDS) degree at the University of Maryland School of Dentistry. Committed to providing the highest calibre of care, she participates in continuing education activities.

Dr Tahvildari maintains active memberships with several professional societies, including the American Association of Dental Consultants and the California Association of Dental Plans.

Dr Tahvildari attributes her success to her commitment to her patients, as well as to her never-ending endeavours toward excellence and integrity.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists, like Dr Tahvildari, are responsible for diagnosing oral diseases, as well as promoting oral health and disease prevention. Dr Tahvildari is a certified Invisalign® provider. Invisalign is a type of orthodontic treatment that helps to straighten teeth without the use of the typical metal braces.

In her spare time, Dr Tahvildari enjoys doing yoga, reading, listening to music, meditating, and spending time with her family.
