

Brett Beaulieu, DMD, General Dentist with Johnston Dental Group / Harborside Family Dental

Get to know General Dentist Dr. Brett Beaulieu, who serves patients in Johnston and Riverside, Rhode Island.

New York City, Jun 24, 2019 (Issuewire.com) - Dr. Beaulieu is a top general dentist who lends his skills and expertise to serve patients at Johnston Dental Group in Johnston, Rhode Island, where he practices alongside Dr. Michael A. Barry. Dr. Beaulieu is also serving patients' dental needs at his own dental practice, Harborside Family Dental located in Riverside, Rhode Island. At both dental practices, he provides a wide range of services, including cosmetic dentistry, restorative dentistry, preventative

dentistry, pain management, and more.

Dr. Beaulieu loves to learn how technological advancement is applied in context with the tried and true principles of dentistry. He is also excited to be in a field where the future of patient care is so bright. In addition, Dr. Beaulieu is affiliated with the American Dental Association and the Rhode Island Dental Association.

Dr. Beaulieu was born and raised in Southington, CT, where he discovered his affinity for helping those in need at an early age. Healthcare seemingly provided the most direct way to aid others on a daily basis, so while completing his undergraduate education at Providence College, Dr. Beaulieu explored various fields of healthcare. He fell in love with dentistry and later graduated from Tufts University School of Dental Medicine with his Doctor of Medicine in Dentistry degree. Along the way, he earned a post-baccalaureate certificate in Interdisciplinary Health Sciences from Drexel University, instilling in him the value of communication and teamwork that result in providing the highest quality care for the individual patient.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. General dentists, like Dr. Beaulieu, are the main providers of dental care to patients of all ages. By placing a strong emphasis on oral health and hygiene, they help patients avoid the progression of oral diseases.

Dr. Beaulieu currently lives in Providence, Rhode Island. He is a music lover and sports enthusiast. Additionally, he always looks forward to seeing new areas of the globe.
