

Dako Announces "UNO" Music Video Release

San Diego, Jun 18, 2019 (Issuewire.com) - Slated for release July 1st, San Diego based recording artist Dako is debuting his first music visual for UNO, a single from his unreleased self-titled album, DAKO : Year of the Dreamer. UNO is a futuristic trap-soul cut with hypnotizing and eerie sounds designed to transform your state of mind. The cinematic shots captured in this video spanned from the iconic Lavish Studios in Los Angeles to a rustic cabin with breath-taking views of Big Bear Lake. Dako's planning on kicking Summer 2019 off promoting this single in anticipation of the album.

A low-key track with an entrancing hook, Dako speaks on lust; one of his inner demons. With production by Remo and a vision fully captured by Rich Espy, this visual is only one of many stories Dako plans to tell.
