

Dr. Arvind Poswal of Dr. A's Clinic Awarded India's No.1 Hair Transplant Surgeon.

Before

After

New Delhi, Jun 27, 2019 (Issuewire.com) - Dr.A of the famous Dr.A's Clinic, a Hair transplantation centre in Delhi earns the Title of the Best hair transplantation surgeon in India.

Hair loss is a dominant problem among people upwards of 30 in India. Premature hair fall, alopecia, pattern baldness, hair thinning, the recession of hairline are common cases nowadays. As urgent as the problem is, solutions are few and far. Surely there are tons of hair care products that claim to do the magic but originally does more harm than good. That aside, effective solutions are pretty rare, even today when medical science is supposedly breaking grounds in cosmetic treatments. One of the handfuls of treatments available to the people is a hair transplant. In that Dr A's Clinic, the [Best hair transplant in Delhi NCR](#) is a pioneer in India.

Leading the market with groundbreaking hair transplant works, Dr A's Clinic is spearheading the treatment in India. With hundreds of successful cases under its belt, the clinic is now one of the most trusted places to get a hair transplant done. Dr.A's Clinic is based in New Delhi in Chittaranjan Park. Aside from its Delhi office, the clinic also has its presence in Mumbai in Andheri where it has been operating for years now. Rated the most successful hair transplant clinic worldwide, the clinic is run by a Dr Arvind Poswal.

Already a figure of eminence in [Hair transplant in Bangalore](#) and other cities, Dr Poswal has recently been awarded as India's no 1 hair transplant surgeon. Dr A has a particularly impressive profile. Aside

from being a surgeon, he is also a teacher and an inventor. Having gotten his degree from the decorated Armed Forces Medical College in Pune, Dr Poswal practised for many years till before he started Dr A's Clinic. The clinic, since its start, has been a huge success, and so what started as a pet project became for Dr Poswal the centre of his research work.

As of today, the clinic offers a miscellany of treatments in hair transplantation. FUE or Follicular Unit Extraction is their specialty, for which the credit wholly goes to Dr Poswal. In addition to that, the clinic performs a variety of other procedures such as Follicular Unit Transplantation, Body Hair Transplant, Scalp Hair Transplant and Hair Loss Treatment. The procedure catalogue also includes a list of hair restoration procedures like scalp micro pigmentation, facial hair restoration, hairline redesign, transplant on a scar, hair removal and such things. The Results Gallery is where all the successful transplant cases are posted in before-after shots.

Dr A's Clinic has been responsible for hair transplant and restoration jobs for many Bollywood celebrities, the most recent of which are Kushal Punjabi, Rakesh Bedi, Shristi Rana and Shivaji Satam. With the title of the [Best hair transplant in India](#), the clinic is gaining grounds among patients all over India. Hundreds of people fly in every year to get procedures done at Dr A's Clinic.
