His newly released single '**She a Freak**' captures urban and contemporary lyricism in the most positively explicit of ways. He presents an experience that is not only ambient in its overall feel but also gives to the audience differential perspectives to explore and come to their own judgments with '[She a Freak](#)'. A distorted arrangement following some of the best elemental steps to musical glory, **RichPutt**'s tribute to one of his mates in '**She a Freak**' is a testimony to his relationship with her.

**Charlotte rapper RichPutt**'s sound and style stand out with its global essence that does not follow the norms of known standardizations of hip-hop. In terms of both lyrical progression and rhythmic sequential change, his songs are a complete entity of their own.
