New York City, Jun 10, 2019 (Issuewire.com) - Dr. McGunnigle is a chiropractor with more than 32 years of experience. He is the owner of McGunnigle Chiropractic in Haddonfield, New Jersey. He

opened the practice with his wife, Shelby, and is very grateful to have done so. At McGunnigle Chiropractic, Dr. McGunnigle and his staff provide advanced spinal correction and chiropractic adjustments utilizing state-of-the-art chiropractic techniques.

Dr. McGunnigle is also licensed to practice in Pennsylvania.

As a young individual, Dr. McGunnigle watched his grandfather suffer from debilitating health problems that had him constantly in and out of hospitals, taking one medication after another and continually getting worse. A friend of his suggested chiropractic and while it took several months, he did get better. He was able to stop his medications and his visits to the hospital ceased. Dr. McGunnigle was inspired by the body's inner healing ability to express itself and he knew that he wanted to get involved with that. To this day, he encourages everyone to begin a process of improving their health by visiting a chiropractor, exercising, eating well, and having a positive outlook on life.

Dr. McGunnigle graduated from ADIO, the sister school of Sherman Chiropractic School, in Spartanburg, South Carolina, in 1982.

Dr. McGunnigle is a Certified Addiction Professional (CAP). In 1996, he published an article on the genetic nature of alcoholism.

Chiropractic is a form of alternative medicine mostly concerned with the diagnosis and treatment of mechanical disorders of the musculoskeletal system, especially the spine. The goal is to correct alignment problems, ease pain, and support the body's natural ability to heal itself without the use of surgery or medication. As a chiropractor who cares about utilizing the most advanced chiropractic techniques, Dr. McGunnigle has years of training, expertise, and experience in helping patients get pain relief for back pain, neck pain, headaches, and other related conditions originating from the spine.

Dr. McGunnigle's passion is helping his patients to live happy, healthy, pain-free lives WITHOUT the use of drugs. He is passionate about diet and nutrition, as well as about educating people on what chiropractic can really do for them.
