**New York City, Jun 24, 2019 ([Issuewire.com](http://Issuewire.com))** - Dr. Golsen is a general & cosmetic dentist who is currently serving patients' dental needs at her private dental practice - Golsen Family Dentistry - in Alpharetta, Georgia. Providing cosmetic, restorative and general dentistry, including a focus on teen dentistry, as well as facial esthetics, Golsen Dentistry believes in catering to and accommodating

patients. With a strong commitment to open communication, Dr. Golsen, and her team thoroughly discuss treatment plans with each patient. A strong team approach ensures that the doctors are trained in the latest dental techniques and procedures for top-notch Alpharetta Dentistry.

A native of Florida, Dr. Golsen attended the University of Georgia. She finished her Bachelor of Science degree at the Medical College of Georgia. Her Doctor of Medicine in Dentistry degree was also awarded from the Medical College School of Dentistry in 1993.

Dr. Golsen was a clinical instructor in the Dental Hygiene program at Georgia State University Perimeter College. She was also an international trainer for Kreativ air abrasion technology, training dentists from all over the world on the technology.

Dr. Golsen has always provided the latest proven technology for her patients which included decay scanning cameras, oral cancer screening lights and itero scan technology.

Dr. Golsen has hundreds of continuing education hours on topics such as anterior and posterior cosmetics, invisalign, implants, periodontal disease, laser dentistry, Botox, fillers, and occlusion. She has also completed extensive hands-on courses with live patients. Some of the cutting edge procedures she has love is the enamel saving "Durathin veneers." This technique allows beautiful veneers to be placed on virgin teeth without damaging the teeth with a preparation. A game changer in dentistry.

Dr. Golsen became a member of the Georgia Academy of Cosmetic Dentistry (GACD) in 1995. She was also the 2016 president of the GACD. Furthermore, she is a member of several other professional organizations, including the Hinman Dental Society, the Georgia Dental Association, the American Dental Association, the Northern District Dental Society, the American Academy of Implant Dentistry, and the American Academy of Facial Esthetics.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. As a general and cosmetic dentist, Dr. Golsen is skilled in providing basic and preventive procedures, as well as in providing treatments that make the teeth look whiter, brighter, and more natural in appearance. She has the expertise to complete an array of commonly performed dental procedures that are simple or complex in nature.

Dr. Golsen has been practicing for 26 years in Alpharetta, Georgia. She has two sons - one is a third-year Vet Med student at the University of Georgia and the other is a sophomore at Young Harris College. She is also a 9-year breast cancer survivor. She enjoys traveling, exercising, friends, family, and pets!
