Get to know Obstetrician-gynecologist Dr. Leon J. Baginski, who serves patients in Mission Viejo, California.

gynecologist (OB-GYN) who specializes in all areas of gynecologic surgery, including robotic and laparoscopic outpatient hysterectomy, office-based surgery, vaginal reconstruction, urinary leakage procedures, as well as all aspects of minimally invasive surgery. Obstetrically, he manages both high and low-risk pregnancies and is skilled in evaluating the infertile couple and those with poor pregnancy histories.

Dr. Baginski is currently serving patients at his private practice in Mission Viejo, California. His philosophy on patient care is quite simple - if it isn't broken, don't fix it and if it is, then fix it in the most current and efficient way that maximizes patient satisfaction.

Dr. Baginski earned his Bachelor of Science degree from the University of Michigan, where he was awarded the Branstrom Prize for Academic Excellence. He then went on to earn his medical degree, with high distinction, from the University of Michigan Medical School in Ann Arbor, Michigan. He also completed his residency at Parkland Memorial Hospital in Dallas, Texas.

Dr. Baginski is board-certified in obstetrics and gynecology by the American Board of Obstetrics and Gynecology (ABOG). The ABOG is a non-profit organization that board-certifies OB-GYNs and offers continuing certification to OB-GYNs in the United States and Canada. The mission of the ABOG is to define specialty standards, certify obstetricians and gynecologists, and facilitate continuous learning to advance knowledge, practice, and professionalism in women's health.

Dr. Baginski is a Fellow of the American College of Obstetricians and Gynecologists (ACOG). The American College of Obstetricians and Gynecologists is a professional association of physicians specializing in obstetrics and gynecology in the United States. To become a fellow, candidates must become certified by the American Board of Obstetrics and Gynecology.

Dr. Baginski has co-authored and edited a textbook, as well as written numerous medical articles along with other publications in the area of women's health. He has been awarded "Top Doctor" recognition and "Patient Choice" awards for a number of years.

Obstetrics and gynecology is the medical specialty that encompasses the two subspecialties of obstetrics and gynecology. OB-GYNs, like Dr. Baginski, specialize in the diagnosis, treatment, and prevention of diseases and disorders that affect women. Additionally, they work with expecting mothers throughout their pregnancies, during childbirth, and into postpartum.

Dr. Baginski is actively involved in both the hospital and community, where he sits on a variety of committees and boards. In addition to English, Dr. Baginski speaks Spanish and Polish. In his spare time, he enjoys spending time with his family. He also enjoys photography, camping and the outdoors.
