

New Indiegogo campaign introduces the FIRST ever Wipeout park in the U.S.

Las Vegas is soon to get the first Wipeout Park in America that will enable Wipeout fans to live the fun of the popular game show in real life with friends and family.

Las Vegas, Jun 12, 2019 (Issuewire.com) - Great news for American Wipeout fans. Vegas-based BYC Entertaining has recently launched an Indiegogo campaign to support its blockbuster project that introduces the FIRST ever Wipeout park in the United States. Housed at Las Vegas, the park will be open for the general public every day, from 9 a.m. to 10 p.m.

The campaign is geared to raise around \$200,000 by the first quarter of the coming month.

Truly one-of-a-kind, the Wipeout Las Vegas will be one of the first parks in the world based on the famous TV show "Wipeout." The 3rd most popular game show across the globe, Wipeout is much loved for its hilarious falls and hours of entertainment. Wipeout Las Vegas offers the opportunity for Wipeout fans to live their favorite show in real life. with their family and friends. (Already said 2 times after.)

"Wipeout Las Vegas is aimed to be the funniest place on earth where you can enjoy hearty laughs with your friends and family. We are Wipeout fans ourselves, and when we were planning to create something like this in real life for fans like us, we thought about Las Vegas right away. There could not be a better place to have it in the US than in the Entertainment Capital itself", smiled Bastien who has co-developed this project with his wife and business partner Yasmina.

The dynamic husband-wife duo grew up in Switzerland and came with vast experience in management, finance, communication, and events.

The Wipeout Las Vegas will host 15 pools, 4 courses, and 36 obstacles. Additionally, there will be a special area for kids. Guests can take part in the game as a team, with friends, family, or workmates. Each team will get a trained instructor who will activate the motorized obstacles. The obstacles are manufactured and certified in Holland with curated materials, specially designed to prevent injury risks. The instructors too, will offer personalized support to participants and extend safety instructions all through the course.

The park will even feature a 250-seater restaurant on the lovely breezy terrace of the main building where guest will enjoy special BBQ packages while watching sensational and hilarious falls.

“We aim to create the best Wipeout park ever, and for that, we have assembled a seasoned team of experts in the major aspects of operations. Our Director of Operations comes with decades of experience in the Vegas hospitality sector while our Director of Operations is backed by a sea of experience in outdoor theme parks. It’s going to be a sensational project, and we all have poured our hearts into it. However, such a high profile project demands robust financial backup and hence, this Indiegogo campaign. Your generous support will help us to gift America it’s first ever Wipeout Park and will also make you a part of a history-in-the-making.”

A cool host of rewards are waiting for the backers. These include updates, behind-the-scenes photos and videos, collector’s edition gift, backer’s name on contributor wall, on tables or even on obstacles, exclusive discounted admission to the park, and so on.
