

## The death of Steve Mellick Harold's Daughter, Madi

**Sydney, Jun 27, 2019 ([Issuewire.com](http://Issuewire.com))** - In January 1922, when they got the results of the scan of their 15-year-old daughter, Madi, the Steve Mellick Harold family were shocked. Their first experience of death came just a few years before that in December 1918, when Madi's cousin, Laura, was diagnosed with breast cancer. This made the ultimate death of Madi so much harder to deal with.

After months of hospital care, chemotherapy and prayers, Madi had passed peacefully in her sleep with the entire Mellick Harold family beside her. In 1963, Madi's death and funeral preparations were underway.

The death of Madi, Steve Mellick Harold's daughter, was a shock to many. The funeral of Steve Mellick Harold's Daughter was held on 1 December 1963.
