Whitstable, Jul 9, 2019 (IssueWire.com) - Whitstable's Pearson's Arms is launching an Oyster Cocktail in celebration of Whitstable's famous Oyster Festival, 27th- 29 July.

Those familiar with Whitstable will know the importance of local oysters, *real* PGI Whitstable Rock Oysters that is.

Mixologists at the Pearson's Arms have whipped up a cocktail that compliments and champions this humble slippery seafood delicacy.

Silvery patron tequila is mixed with fresh lime, triple sec and a dash of Tabasco. The drink can only be finished with a real PGI Whitstable Rock Oyster to perfectly balance the explosion of citrus flavours.
