

Paul N. Singh, DMD, a General Dentist with Promenade Dental Care

Get to know General Dentist Dr. Paul N. Singh, who serves patients in Bethesda, Maryland.

New York City, Jul 27, 2019 (Issuewire.com) - Dr Singh is a general dentist who is currently serving patients' dental needs at Promenade Dental Care in Bethesda, Maryland. He and his staff are dedicated to providing patients with the best possible dental care in a comfortable, friendly environment. Their mission is to guide patients towards optimal dental health with minimal discomfort and to help improve their quality of life.

Dr Singh was born & raised in Peru, Illinois. He enlisted in the army towards the end of high school & served in the Army Reserve.

Dr Singh graduated magna cum laude from the University of Massachusetts at Amherst with a Bachelor

of Science degree in food science. He then went on to earn his Doctor of Medicine in Dentistry degree from Tufts University School of Dental Medicine. Dr Singh also completed his general practice residency at St. Francis Hospital in Hartford, Connecticut to gain experience in more complex areas of dentistry & medicine.

Dr Singh continues to enhance his knowledge through attending continuing education courses. He is currently a member of the Maryland State Dental Association, the Southern Maryland Dental Association, the American Dental Association, and the Academy of General Dentistry. He is also involved in the Silver Spring Study Club, the Progressive Study Club, the Premier Dental Study Club, as well as the Spear Study Club.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. A general dentist, like Dr Singh, is a primary care dental provider who diagnoses, treats, and manages patients' overall oral health care needs, including gum care, root canals, fillings, crowns, veneers, bridges, and preventive education. "My goal is to inspire the confidence and trust that is necessary to maintain a healthy smile" as stated by Dr Singh.

Dr Singh understands that blending high-quality dental care with a stress-free patient experience is the key to patient care. Additionally, he places a strong focus on clearly articulating treatment options and addressing any questions and patient concerns before, during or after a patient's visit. Dr Singh is a certified Invisalign provider. Invisalign is a type of orthodontic treatment that helps to straighten teeth without the use of the typical metal braces.
