Get to know Dentist Dr. Sanae Bouallali Berrada, who serves patients in Falls Church, Virginia.

**New York City, Jul 2, 2019 ([IssueWire.com](http://IssueWire.com))** - Dr Berrada is a dentist who is currently serving patients' dental needs at Tysons Dental Esthetics in Falls Church, Virginia. She brings over 20 years of clinical expertise and a bright, vibrant personality to her work. She also has a wide variety of up-to-date skills and experience with today's newest technology.

At Tysons Dental Esthetics, Dr Berrada and her staff are committed to offering the highest level of care possible – and that means putting a special focus on general and preventive dentistry. They work hard to infuse quality into everything that they do, whether that is restoring patients' teeth or simply scheduling appointments over the phone.

Throughout her career, Dr Berrada has had extensive training in orthodontics, dental implants, cosmetic dentistry, and general dentistry. She is truly committed to providing the best possible dental care for her community.

Dr Berrada graduated from dental school in 1997 and spent two years working in private practice before joining a postgraduate program in orthodontics at New York University. While there, she was awarded a certificate in orthodontics and remained as a teaching fellow the following year. She then spent two years in a general practice residency at the Berkshire Medical Center - a Tufts University affiliate hospital in Massachusetts. In 2007, Dr Berrada joined a large group practice in Virginia Beach, becoming one of their lead dentists.

Continuing education is one of Dr Berrada's passions. She has taken several courses from Dr Frank Spear of the Seattle Institute for Dental Education. She has also studied implant dentistry at Columbia University in New York. In addition, Dr Berrada is a certified Invisalign® provider. Invisalign is a type of orthodontic treatment that helps to straighten teeth without the use of the typical metal braces.

Dr Berrada is a member of the American Academy of Cosmetic Dentistry, the Academy of General Dentistry, the American Academy of Implant Dentistry, and the International Congress of Oral Implantologists. In her spare time, Dr Berrada enjoys spending time with her husband and their 3 children, travelling, cooking, and doing outdoor activities.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists, like Dr Berrada, are responsible for diagnosing oral diseases, as well as promoting oral health and disease prevention. Additionally, they look for abnormalities within the mouth such as lumps, swelling or discoloration, and perform necessary diagnostic procedures to diagnose and treat these abnormalities.
