

Virginia Music Artist Butch Robins Mesmerized the Music World and No One is Spewing any Cliche

Butch Robins, the Virginia music artist has been coming out with his beautiful renditions in the genre of Americana. His talent in music and artistry speaks for it.

Salem, Dec 31, 1969 ([IssueWire.com](http://www.IssueWire.com)) - **Butch Robins** is a noted name in Pulaski and elsewhere and he is famous for his music in the genre of Americana. This **Virginia music artist** has put forth a few beautiful renditions "[Whitehouse Blues](#)" and "[Singularity](#)" which are raging chartbusters at this moment. The singer is a popular banjo player who played with great artists like Bill Monroe, The Blue Grass Boys and New Grass Revival. He has also worked with stars like Leon Russell and many more stars with great repute. Three of his records released from Rounder Records and several other from Hay Holler Label.

[Professional banjo player Butch Robins](#) assembled the World International Blue Grass Band in 2007 that has added another feather in the cap for this professional banjo player of over 50 years. He has also authored his autobiography named "**What I Know 'Bout What I Know**" where we get a glimpse of the journey carried out by this musician. He has shown a glimpse of his masterful talent in his two beautiful songs "**Whitehouse Blues**" and "**Singularity**" sing in the Americana genre of Music. These songs are on banjo virtuoso which is noted for their stylistic diversity and fits into many musical configurations.

Butch Robins song "**Whitehouse Blues**" and "**Singularity**" has got a tempo that chills a little and reminds us of the songs from the 50's like many other songs from the Americana genre. The track stops and then flourishes embellishing the arrangement throughout. A walking bass line kept the music on the track and the lead vocal remains locked in the tight giving the music a flurry of colors. The two featured guitar solos have pleasingly different flavors and have markedly different sound states to emphasize it. As a listener, you get a feeling that you are in an incredibly safe pair of hands. Follow him on [Facebook](#) and [Twitter](#) for updates.
