About VTP Realty

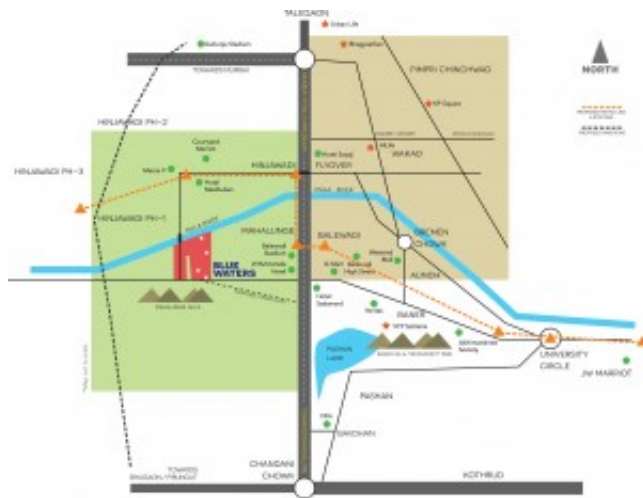

Headquartered in Pune, VTP Realty belongs to the 30-year young VTP Group holding a prominent position in supplying construction material like cement, steel, fly ash, bricks, crushed aggregates, RMC (Ready Mix Concrete) and sanitary ware. They are the largest supplier of cement in Pune. Almost 70% of the construction material required is procured in-house.

Building on these strengths, VTP Group forged out its real-estate division in the year 2011 – VTP Realty. VTP Realty draws strength in constructing its residential and commercial projects from its group company – Viraj Projects (I) Pvt. Ltd., that has constructed more than 100 projects for Government agencies, infrastructure companies and reputed real-estate developers across India.
