

## Who Is The Tulsa Rapper Kidgoten?

**Tulsa, Jul 27, 2019 ([Issuewire.com](http://www.Issuewire.com))** - Kidgoten , real name Jaiden Lovett, first gained attention when he released his first hit song Fiji in Summer 2018. Jaiden continued dropping music for his fanbase until his 2019 Mixtape Self-Titled Mixtape Kidgoten received national attention. His larger-than-life stunts on Instagram have translated well to his songs, showing he has Strong Hit- Making Ability's. Jaiden is projected to land a spot on the coveted 2020 cypher List.

## Kidgoten's life before fame

Jaiden, born March 2, 2003, is from Tulsa, Oklahoma.

He was known for helping people and discovered music as the perfect outlet for it. Jaiden began rapping in late 2017 under the name "Thatkidjaiden" He changed the name because he thought it would be too conflicting and not fit with the music industry.

### Kidgoten's music history

Kidgoten's first mixtape, titled, Kidgoten debuted in Spring 2019. It did perform well, but he is currently working on his debut album, titled, Kidgoten New Era, It is expected in 2020.

Kidgoten continued to release music every few months, His EP 'Fall Shade'. It consists of five tracks, with it titled Fall Shade, published in September 2018.

He released Hit singles here and there like 'How You Feel' and 'Spaz Out' 2019. Bentley Records signed him to the label January 2019.

Jaiden is projected to feature in the 2020 HTX Cypher List. Every year, HTX publishes the list which features the top eight rappers to watch. They showcase underground artists and others who are considered to be on the verge of blowing up.
