Big Drew, the Dubstep Artist is Creating Quite a Rage with his New Renditions

Listen to the most fascinating songs by Big Drew and enjoy the artistry. The new dubstep artist on the block will make you swagger with his scintillating beats.

Lebanon, Aug 19, 2019 (Issuewire.com) - **Big Drew** is a popular male young singer in the genre of dub step music. He has created quite a hysteria among the new generation of listeners. His music has earned a lot of rave reviews from the critics and his popularity has skyrocketed from thereon. He is very much eager to be known by his professional name only. He also wants to be known as a Dj as

well as a producer although he does not have a production house. He is mostly inspired by his listeners, who have a fun time listening to his music. You can get in touch with the singer through Twitter and Instagram. You could also listen to his music by plugging on to Soundcloud.

<u>Lebanon Music Artist Big Drew</u> has displayed immense artistry in his songs '<u>Bang Low</u>', 'No Sleep', 'Found The Weed' and 'Away From Home'. The songs have an upbeat bounce which resembles the beats of jazz-cafe. There is an insane release to almost all the songs. The songs are very fast-paced and lift the mood of the listeners. The vibes of the songs are very high in the backdrop of heavy electronic music. There is a relentless flow to the song which is very much addictive for the listeners. It is because of this fast pace and the flow of the song, the music becomes quite intense.

Big Drew in his songs 'No Sleep' and 'Away From Home' has given a stunning performance which has captivated the imagination of the listeners. The composition for the song motivates the listeners and drives them crazy. In the songs 'Bang Low' and 'Found The Weed' there is an element of soft funk to it. There is a classical and cool feel to the songs which have been impressively crafted. The rap flow in the song adds to the pace and has been incredibly done.
