Los Angeles, Aug 26, 2019 (IssueWire.com) - Book lovers, women advocates and some of Hollywood's finest will be attending the anticipated book release party for the newly released titled, *BEAUTIFUL, Unashamed and Unafraid*. The provocative and life-changing memoir written by an award-winning actress of the solo play, BEAUTIFUL, Jozanne Marie focuses on one woman's courageous spiritual journey to self-love and healing after the tragedy, loss, and abuse.

The Book Launch and Release Party will be held at Los Globos Night Club, located 3040 Sunset Blvd, Los Angeles, CA. Start time, 7 pm. It will be a night of Caribbean theme and inspiration.

Beautiful, Unashamed and Unafraid is now available in both digital and paperback versions on Amazon and bookstores nationwide. Party goers can purchase signed copies at the event as well as donate a book to Saint George's Girl in Kingston, Jamaica to inspire young girls that their voice is valid and a tragic event doesn't have to be the story of their life.

Ms. Marie is in the process of working on her next book, *Everything I wanted to Say as A Black Woman*. She also has periodic book signings and author appearances. For more information about the author, please contact, Q4 Entertainment.
