

## **Jewels Queen: Opens Factory Priced Jewelry - Jewelry Store & Diamond Office in New York City, NY**

Queens' NEW Store & office in heart of diamond district in NEW YORK offers Jewelry & Diamond directly from manufacturing to Whole Sale – Retail pricing; with no middle man. Jewels Queen Inc – a subsidiary of Khanna Jewels Co.

**New York City, Aug 29, 2019 ([IssueWire.com](http://IssueWire.com))** - Jewels Queen have been in online foray for almost 20 years with their e-commerce website [www.jewelsqueen.com](http://www.jewelsqueen.com) which has exquisite & exotic jewelry products/ designs offered to our buyer. They have been selling & exporting to US & World for 2 decades. Go through their website jewelry collection page and browse to find more than 6000+ designs in Diamond Gold & Silver at their Store.

Jewels Queen journey began as a subsidiary concern of Khanna Jewels two decades ago with a simple idea to supply jewelry without any middlemen incremental cost. i.e. supply our buyers factory jewelry price. Our success story and the journey is based on Wholesale – Retail price mechanism – to provide the best service & lowest price to our buyers.

Jewels Queen Inc has ventured into the US market in a brick & mortar business model to offer Jewelry & Diamond Experience to our Online & offline Client.

Queens started diamond selling operations in 2017 December in New York City. Queens' new office in New York City around 47St; which is at the diamond capital of the world is a fully operational office at 1177 Avenue of America 6th Avenue 5FL #Suite5125 New York NY -10036. This office is for diamond wholesale business & operations run by a staff of 7 People directed by Mr. Ambesh Khanna as an Executive Manager / President.

Queens' New York office excellent diamond buying experience with direct collaboration with Diamond cutting & polishing in surat, India- diamond cutting & polishing center in the world.

They offer diamond dossiers from 10 points to 50 points from VS Clarity to I Clarity in Top white –FGH Color and excellent cuts. They always keep excellent stock and inventory of more than 250 carats of premium diamonds at their New York office for spot sales. Their collaboration with diamond factory helps replenish and provides an excellent constant supply to buyers & Consumers. This partnership helps bring factory direct price & Consistent supply to our buyer for their jewelry needs. Their diamond operations are lead by their Manager Mr. Hiren Patel.

Queens experience & repertoire with jewels has been laid over a period of 2 decades. They have opened Jewelry wholesale booth 47th Street Diamond Exchange., 1192 6th Ave, New York, NY 10036 for providing experience center of their website high-end jewelry collection.

Their jewelry experience center provides the touch and feels experience to a jewelry purchase. It is also a center which helps in exchanges, replacement & pickups of jewelry. Queens wants to bring direct customer touch experience to huge online inventory online. Their jewelry operations are lead by Mr. Divyang Bhansali.

Queen's reason for our success mantra is Customization of Gold, Diamond & Sizes to the preference of the buyers & users.

Queens' jewelry sale's can be customized on the basis of gold purity & color, Diamond Quality & Clarity, Sizing, Material options & other individualistic needs. Jewels Queens Jewelry department converts dreams into reality.

Queens; Diamonds sale is also based on the precision of mille meter calibration, Clarity & Cut needs to the need of customer's usage. They can supply diamonds on wholesale rates from the factory; based on

the inventory/ product need.

Our customer philosophy can be summarized in the phrase “Who Says diamonds are precious; it is people who wear them who are precious”.
