

Lebanon Dubstep Musician Big Drew Composes Fascinating Tracks with Affirming Melody Lines

Lebanon Dubstep musician Big Drew offers the ultimate party beat by exploring electronic instruments to shape his music that instantly hooks the listener.

Lebanon, Dec 31, 1969 (Issuewire.com) - **Big Drew** influences the crowds with his infectious beats which offer a vast palette of charmingly chaotic music. The electronic enigma of his tracks imprints itself on the listener's mind and makes for an eventful musicality. The tracks see the unpredictable musicality of the artist which creates a different mood. [Lebanon Dubstep musician Big Drew](#) features some seriously obnoxious and tasteful melodies in his tracks that trademark his compositions. The listener gets hooked to the colourful chord progression of the tracks and thoroughly enjoys the dub-style bass line. It not only highlights the dynamic sound system but also focuses on creating new beats. His new beats bring in all kinds of part waves and guarantees to pull the listener to the dance floor with its catchy hooks.

Big Drew has a voice that complements the distorted synth riffs to build up the tracks in an impressive way. The fast-changing nature of the songs makes it so interesting. The artist has recently released tracks '[Nova](#)' and '[Jump](#)' that is enough to give the artist the deserved credit. The patterns of the track fit well with the dance floor ambience and jumps with quick shuffling drum beats and uplifting music. The unassuming bass line brings in more charm and creates a sonic environment.

Lebanon Dubstep musician Big Drew has a voice which prevails over his tracks and adds a gorgeous grab for the song. The weighty burst of instruments is enough to catch up with the listener's attention. His tracks make a bold statement with its wave rhythms and perfect machine music. The artist is a popular DJ from the United States who ticks all the boxes of a perfect dance floor hit and draws his inspiration from Rapper Lil Yurri for creating such weighty tracks. Listen to his

tracks on **YouTube** and follow his social updates on [Instagram](#).
