

## William R. Bond Jr., MD, MBA, FACS, an Otolaryngologist in Private Practice

Get to know Otolaryngologist Dr. William R. Bond Jr., who serves patients in Washington, D.C. & Maryland.

**New York City, Aug 27, 2019 ([IssueWire.com](http://IssueWire.com))** - Dr. Bond Jr. is a board-certified otolaryngologist who is currently serving patients at his private practice in Washington, D.C. There, he and his team of professionals work together to treat patients' ear, nose, and throat problems. They listen to each patient's concerns and respond to their needs by determining the best treatment possible.

Dr. Bond Jr. has admitting privileges at Washington Hospital Center, Georgetown University Hospital, Howard University Hospital, and Holy Cross Hospital. He is also on the faculty at Georgetown University and Howard University in Washington, D.C.

Dr. Bond Jr. is board-certified in otolaryngology by the American Board of Otolaryngology - Head and Neck Surgery. He is a Fellow of the American Academy of Otolaryngology-Head and Neck Surgery, the American Society for Head and Neck Surgery, and the American College of Surgeons. He is also a member of the Washington Metro Otolaryngology-Head and Neck Surgery Society, the National Medical Association, the Board of Governors for the American Academy of Otolaryngology-Head and Neck Surgery.

A native of Washington, Dr. Bond Jr. is a graduate of the Saint Louis University School of Medicine. He completed his general surgery training at Indiana University in Indianapolis, Indiana, followed by his otolaryngology-head and neck surgery training at Georgetown University and the National Naval Medical Center in Bethesda, Maryland. Dr. Bond Jr. has served in the United States Navy and Naval Reserves for 28 years. He retired with the rank of Captain.

Otolaryngology is the oldest medical specialty in the United States. Otolaryngologists, also known as Ear, Nose & Throat doctors, specialize in disorders of the head and neck ranging from hearing loss to cancer.

In his spare time, Dr. Bond Jr. enjoys skiing, cycling, as well as playing tennis and golf. He has traveled extensively throughout the United States, taking particular interest in National State Parks. One of his greatest achievements, both personally and professionally, has been his medical missionary work in West Africa.
