Get to know General & Cosmetic Dentist Dr. Yuhui Hu, who serves patients in Randolph, New Jersey.

**New York City, Aug 27, 2019 ([IssueWire.com](http://IssueWire.com))** - Dr Hu is a general & cosmetic dentist who has extensive experience treating patients of all ages, from 6-month-old infants to 104-year-old senior citizens. She is currently serving patients' dental needs at her private dental practice, C & H Dental located in Randolph, New Jersey.

Dr Hu has been practising dentistry for many years. With her training in medicine and cancer research, she puts oral health in a bigger picture of general health, promoting healthy smiles. Dr Hu practices a full scope of general and cosmetic dentistry with expertise ranging from porcelain veneers to dental implants, as well as from crowns to Invisalign. She can treat a wide variety of so-called permanent cosmetic dental problems and can literally redesign smiles.

At C & H Dental, Dr Hu and her team believe that dental health can only be achieved by teamwork: teamwork between patients, dental professionals, and medical providers. They listen to patients, understand their needs, address their concerns, and ease their fears. Dr Hu and her team also educate patients on oral disease, teach them how to prevent oral disease, and offer treatment options tailored to each patient's needs. They are committed to clinical excellence and provide effective, efficient and

affordable dental care in a relaxed, warm and friendly atmosphere.

Dr Hu graduated from the UCSF School of Dentistry with OKU scholarship (from the National Dental Honor Society). She is also trained as a DMD and Prosthodontist from West China College of Stomatology - one of the top dental schools in China. In addition to dentistry, Dr Hu conducted cancer research at MD Anderson Cancer Center and published several research papers in well-renowned national and international journals.

Dr Hu is a member of the Academy of General Dentistry (AGD). The AGD is a professional association of general dentists from Canada and the United States. Dr Hu has been continuously selected as America's Top Dentist by Consumers' Research Council of America since 2014.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. As a general & cosmetic dentist, Dr Hu has the skills needed to complete an array of procedures that are simple or complex in nature.
